

20' x 40' Backyard Rink!

Total Sport Solutions is proud to be a Nice Rink Authorized Dealer and we provide packages and accessories for everything you need for an awesome backyard rink!

Below are examples of packages for creating a 20' x 40' backyard rink for your family, however, we can create any size rink you may need! Price includes supply and set up the boards on pre-frozen ground by our TSS Installation Team.

It is very important that the boards be installed before the ground freezes. All rink installations should be booked before the end of October
